## VALVE BOX RISERS

- **Municipal Water Departments**
- **Private Water Companies**
- **Paving & Highway Contractors**

ALL sizes of **TRUMBULL VALVE BOX RISERS** accept standard 5-1/4" lids; no need to purchase special 1" riser lids.

All six sizes of Trumbull Risers (1" through 6") fit into the top sections of Tyler, Bingham & Taylor, Opelika, Foundry, Central Foundry and many other manufacturers' valve boxes, and accept their lids as well.

When you have to raise existing valve boxes to the new grade of a road to be paved - **SAVE TIME AND MONEY** - Avoid needless breaking-up of old concrete to raise the valve box - **INSTEAD** use **TRUMBULL VALVE BOX RISERS**. Simply remove the existing valve box lid, insert the riser and place the existing lid into the riser.

<b>Trumbull Item No.</b>	<b>Size</b>	<b>Weight</b>
367-5030	1"	6.0 lbs.
367-5031	1-1/2"	9.0 lbs.
367-5032	2"	9.5 lbs.
367-5034	3"	14.0 lbs.
367-5036	4"	20.0 lbs.
