Standard 125 pound drilling template.
* Two of the bolts in the bolt pattern are under the yoke feet and not used.

All cast iron surfaces, except machined surfaces, to be finished with NSF61 (TNELEC 140-1211) coating.
Flange mounting gasket and fasteners are not included, and must be ordered separately.
** Consult Trumbull on the availability of 16" and larger sizes in the Rising Stem configuration.
