Chain & Connecting Links

For Trumbull Chainwheels

**Sprocket-Type Chainwheels**
Ductile Iron & Aluminum

SINGLE LOOP CHAIN engages with the teeth in the wheel.

**Pocket-Type Chainwheels**
Carbon Steel & Stainless Steel

WELDED LINK MACHINE CHAIN fits in pockets in the wheel. Smooth chain links provide more comfortable operation.

---

**Ordering Info**

When ordering chain, indicate the Chainwheel and Chain size numbers, and the number of feet of chain required. Chain is provided in continuous lengths and easily cut in the field to exact length needed.

_Closing the loop is simple with Connecting Links…_

---

### Single-Loop Chain

For sprocket-type Chainwheels

<table>
<thead>
<tr>
